**Thank you for your business, your trust and your confidence!**

- Annual Plan License Period: **July 25, 2019 – July 24, 2020**
- This quote is governed by the Master Subscription Agreement by and between ShiftLeft, Inc. and AppDynamics LLC dated July 8, 2019.
- Quotation prepared by: Brian Hurrell Brian@Shiftleft.io (415) 250-9879
- As defined above, the license applies only to the number of nonconcurrent users of Ocular that are analyzing code based on the above coding language as well as the number of applications and lines of code being analyzed. Additional language support beyond what is stated herein will be an additional cost. CI License is not included in this quote and must be purchased separately.
- Application is defined as any custom software including 3<sup>rd</sup> party dependencies that exceeds 50,000 lines of codes.
- Any application that contains less than 50,000 lines of code will be defined as a microservice. The number of applications licensed applies to a unique application and cannot be used for any other applications.
- The "Annual Total w/ support" amount of **\$45,000** will be invoiced to **AppDynamics LLC**
- Upon this Quote Form's last date of signature and all undisputed amounts in such invoice shall be paid within 60 days of **AppDynamics LLC's** receipt of that invoice.
- In consideration for the discounted pricing, **AppDynamics LLC** will provide up to 3 reference calls per quarter for 4 consecutive quarters.
- Any upgrade to a larger plan will entitle the customer to a full pro-rated credit towards the new plan.
- **This pricing is in effect for 1 unique application, 1 user and a maximum of 500,000 lines of code to be analyzed. Only one unique application can be analyzed during the term of this agreement.**
- Non-cancellable order. Payment Terms: Net 60.
- Billing Cycle: Annually
